4 October 2018

Dear Parents/Carers

While some of Year 6 children are away on their residential trip, the remaining students have been working on an exciting national project called "Grow a £5.00". They have been working incredibly hard to plan and produce a number of products to sell as part of this enterprise project. They have had to manage a budget and look at profit margins in order to price up their wares: from brownies to slime to football skills being just a sample of their ideas.

The Year 6 children are organising a sale to take place this Friday (12<sup>th</sup> October) during school hours, where children from Year 2 – 5 will have the opportunity to spend up to a maximum of £1 on the varying items and services on offer; prices will range from 25p to £1. If your child wishes to take part, please ensure that they have up to £1 with them on Friday.

The Year 6 children would like to thank you in advance for your support with their project.

Regards.

*J. Steenhuis*
