Dear Parent/Carers

Perfect Packed Lunch Competition

The Perfect Packed Lunch competition, organised by the KM Group's charity department, requires youngsters to devise and design a genuine or fantasy packed lunch. To enter, they must submit a drawing or painting of their creation and write about what makes it special. Children can submit their entries in a variety of categories including: Famous Artist, Book Character, Knight, Superhero, Celebrity, Fairytale, Pirate Captain, Historic figure, Princess, Healthy, and Cheesy.

Judges will pick category finalists and winners to invite to an awards ceremony at the prestigious Beaney House of Art & Knowledge, where their art will go on display for the summer.

Last year, a student now in Year 6, represented our school and was a finalist in the historical category. We would love to be in with the chance to have a winner to represent our school this year again.

If your child wishes to enter, please ensure all entries are returned to your child's class teacher by 5th November.

Yours sincerely

L. Steenhuis
