19 October 2018

Dear Parents/Carers

Secondary Transfer – Year 6

You have all received the 2019 Transfer to Secondary School booklet showing important dates and information about the secondary transfer process.

The closing date for applications is during half-term, so I am writing to remind you that the closing date for online applications (SCAF) is **Wednesday, 31 October 2018** and the website is www.kent.gov.uk/secondaryadmissions. Please ensure your application is complete as, if you apply late, your application is less likely to be successful because it will only be looked at after most places have been offered.

Some secondary schools, particularly St John's Comprehensive, ask for extra information and have an extra form you must complete (Supplementary Form) and send back to the schools. This information can be obtained directly from the secondary schools.

Yours sincerely

Jonathan Shields
HEADTEACHER
