Dear Parents/Carers

As part of the "Grow a Fiver" work this week, the children have been working incredibly hard to plan and produce a number of products to sell as part of this enterprise project. They have had to manage a budget and look at profit margins in order to price up their wares: rice crispy cakes to football skills being just a sample of their ideas.

We will be taking children to purchase ingredients required for their project in the school mini-bus during the school day on Wednesday 10 October. Please sign the slip below to give permission for your child to go shopping.

Yours sincerely

Miss Steenhuis
