### St. John's PE and Sport Premium Strategy

Date: September 2018

#### Purpose of the premium

Our premium is used to fund additional and sustainable improvements to the provision of Physical Education and Sport, for the benefit of primary-aged pupils to encourage the development of healthy, active lifestyles.

#### Overview of St. John's strategies for improving pupils' PE and sport participation and attainment and giving pupils the opportunity to develop a healthy, active lifestyle

We currently spend our Physical Education and Sport funding in the following ways to improve PE and sport participation and to enable pupils to develop a healthy, active lifestyle:

- Employing specialist coaches (Team GB Paralympic coach, Volleyball and Netball specialist): enhance the range of afterschool clubs on offer to children; promote inclusivity and engage less active pupils.
- Engagement of disenfranchised pupils (swimming teacher).
- Increase the range of clubs on offer to pupils across the entire school.
- Teacher cover for CPD.
- Membership of AfPE.
- Subscription to online teaching resource to embed active routines in classroom (5 a day).
- Sports week: taster sessions in archery, fencing and karate/self-defence to promote range of sports and outside clubs available in local community.

Our rationale for spending the money in this way is:

- Children have the opportunity to participate in traditional sports as well as unique sporting opportunities. (broad and balanced Physical Education curriculum that is accessible for all pupils).
- DfE/Ofsted research shows that high quality CPD is the most effective way to achieve outstanding attainment for children and motivation for teachers.

How the improvements made will be sustainable in the future:

- Teachers will be upskilled and will become more confident in following the structures of a good PE lesson and being able to teach a wider range of physical activities as well as sports.
- Creating links within the community (Gravesham Trophy Centre, local secondary schools, Gravesend Rugby Club, Shickdo Krate, Istead Rise Gymnastics, Orpington FC, Gravesham Community Leisure, ect
- We have achieved bronze in the kitemark (2017-2018) and are on course to achieve silver.

**A breakdown of the projected expenditure for the year 2018/2019 is shown below, together with its projected impact:**

<b>PE and Sport Improvement Strategy 2018/19</b>	<b>Amount (£)</b>	<b>Description</b>	<b>Projected Impact</b>
