### St. John's PE and Sport Premium Strategy

Date: September 2017

#### Purpose of the premium

Our premium is used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils to encourage the development of healthy, active lifestyles.

### Overview of St. John's strategies for improving pupils' PE and sport participation and attainment and giving pupils the opportunity to develop a healthy, active lifestyle

We spend our PE and sport funding in the following ways to improve PE and sport participation and to enable pupils to develop a healthy, active lifestyle:

- Employing specialist coaches (Team GB Paralympic coach, gymnastics & dance specialist): to provide CPD for teachers in areas of the PE curriculum that they feel least confident; enhance the range of afterschool clubs on offer to children; promote inclusivity; engage less active pupils; and engage girls in sports.
- Teacher cover for CPD and membership of AfPE.
- Subscription to online teaching resource to embed active routines in classroom
- Sports week - theatre interactive show on healthy eating
  - taster sessions in archery, fencing and karate/self-defence to promote range of sports and outside clubs available in local community.

Our rationale for spending the money in this way is:

- Teachers receive CPD on dance and gymnastics from specialist sports coaches in addition to NQTs receiving additional CPD. All children in the school receive quality PE lessons from a PE specialist (800 pupils).
- Children have the opportunity to participate in traditional sports as well as unique sporting opportunities.
- DfE/Ofsted research shows that high quality CPD is the most effective way to achieve outstanding attainment for children and motivation for teachers.

How the improvements made will be sustainable in the future:

- Teachers are upskilled and confident in following the structures of a good PE lesson and teaching a skills-based curriculum. Therefore provision is better.
- We have achieved bronze in the kitemark (2015-2016) and are on course to achieve silver.

### PE and Sports Funding – the total funding received by St. John's

#### 2016 - 2017

<b>Amount</b>	<b>£ 10, 710</b>
---------------	------------------

#### 2017 - 2018

<b>Amount</b>	<b>£ 21.700 (based on 120 in Yr1 and 90 in Yr2-6)</b>
---------------	---
